Gear inventory & checkout

Review copy · 24 October 2026

Season: _____ Gear lead: _____

Private record location: _____

> Approve acceptance, care and return arrangements before use. This sheet creates no deposit or replacement fee. Keep borrower details in the club's private records.

Inventory

Suggested status: awaiting inspection / available / checked out / returned for review / retired. Use a unique item ID for each pair or item.

Item ID	Type & size	Condition / care check Date + initials	Status	Storage location

Checkout / return

Item ID	Private borrower reference	Out date / fit checked by	Agreed return arrangement	Back date / condition

Before reissuing

- ☐ Check fit, condition, missing parts and appropriate manufacturer care.
- ☐ Keep new donations and returned items separate until reviewed.
- ☐ Update the status and tell the family how to report outgrown or damaged gear.

Follow-up / owner: _____

Volunteer role & shift handoff

Review copy · 24 October 2026

Event / date: _____ Role: _____

Shift: _____ Assigned by: _____

Report to / location: _____

Choose a role and confirm its scope

Possible role	Core task	Confirm before starting
Welcome / directions	Point families to published check-in, rooms and bout information.	Current venue plan; person to ask about changes.
Setup / teardown	Move and place approved equipment; check and return assigned items.	Venue permission, instructions, lifting help and storage.
Table / display help	Carry out the specific event-authorized table assignment.	Required training, rules, test run and supervising official.
Gear support	Check inventory and assist the approved issue/return process.	Fit/condition reviewer and private record access.

Before the shift

- ☐ Assignment and required approvals confirmed.
- ☐ Equipment and instructions received.
- ☐ Relief person and escalation contact identified.

During the shift

- ☐ Stay within the assigned role.
- ☐ Raise safety or equipment problems promptly.
- ☐ Use approved information for families.

Handoff to the next person

Completed: _____

Open task / owner: _____

Equipment returned / location: _____

Relief received by / time: _____

Event setup & venue handoff

Review copy · 24 October 2026

Event / date: _____ Venue: _____

Event lead: _____ Venue contact: _____

Setup begins: _____ Opening / handback: _____

Before moving equipment

- ☐ Confirm venue permission, approved rooms, entrances and layout.
- ☐ Agree mat/table placement, spectator routes and clear emergency access with the host.
- ☐ Confirm available equipment, transport, setup crew and teardown crew.
- ☐ Assign who can stop setup or resolve a problem; record contacts privately.

Before athletes enter

Check	Owner	Ready / time	Problem or follow-up
Mats / room accepted by responsible lead			
Score / clock test at each table			
Bout display, visibility and directions			
Volunteer briefing and relief coverage			

During the event

Who reports equipment / room changes: _____

Open issue / assigned owner: _____

Teardown and handback

- ☐ Count and return equipment; note missing or damaged items.
- ☐ Inspect the approved rooms and follow the host’s cleanup directions.
- ☐ Responsible venue representative accepts the handback.

Accepted by / time: _____

One improvement for next event: _____

Document register & release check

Review copy · 24 October 2026

Season: _____ Register owner: _____

Authoritative shared location: _____

Keep one authoritative location and one owner per document. A website draft is not automatically an approved club instruction. Preserve completed plans and historical editions.

Document	Owner / reviewer	Version / date	Status	Authoritative link or location

Suggested status: draft / in review / approved / superseded. Mark private records separately and keep private links off the public website.

Before releasing a revision

- ☐ Owner and appropriate reviewer agree the content and audience.
- ☐ Check dates, links, program scope and unresolved placeholders.
- ☐ Record the revision and approval; keep the prior edition with its date.
- ☐ Update the main link and tell coaches which version to use.
- ☐ Keep athlete, borrower and private contact information out of public copies.

Revision handoff

Document / version: _____

Approved by / date: _____

Changed / next review: _____
