Parent and spectator code of conduct

Grindstone Wrestling Club
Mat Rats and Valkyries • Westminster Area Recreation Council

Help every child feel supported and ready to learn. These expectations are for parents, guardians and guests at practices, meets and tournaments. Follow the host's rules and staff directions at every event.

Matside space

Please remain in the spectator area unless your child is wrestling or on deck (next to wrestle).

Approach matside only if the host allows spectators there. Use the designated viewing area, keep walkways and the scoring table clear, and return to the spectator area after the match. Stay off the wrestling surface and out of coaching areas unless authorized.

Positive encouragement

Cheer effort, learning and good sportsmanship. Support teammates and treat opponents as children who are learning too. Give your child room to hear the coach. Save technical instruction for the coaching staff.

Respect for everyone

Treat wrestlers, families, coaches, officials and volunteers with respect. No booing, taunting, profanity, threats, harassment or discriminatory language. Follow a request to step back or move promptly.

Questions and concerns

Let your coach handle scoring and rules questions with officials and table staff. Discuss disagreements with coaches at an agreed time and place. Alert event staff immediately about an urgent safety concern.

Your child comes first

Listen when your child reports pain, fear or feeling unwell, and tell the coach. Offer comfort after a difficult match. Allow time before discussing the result, and recognize progress beyond wins and losses.

Care for the shared space

Supervise siblings and guests. Keep bags, food and drinks in permitted areas, leave pathways clear, and clean up before leaving. Share these expectations with anyone who comes to support your wrestler.

Family acknowledgment

I have read these expectations and will share them with the family members and guests I bring.

Parent or guardian _____ Wrestler _____

Signature _____ Date _____
